REMARKS/ARGUMENT

This letter is responsive to the Notice of Allowability and Examiner's Amendment mailed on October 2, 2007.

Drawings

In the Examiner's Amendment associated with the Notice of Allowability, the Examiner has objected to FIG. 1 as not complying with 37 CFR 1.121(d) for the reason that the drawing should be designated as --PRIOR ART--. In response, the Applicant has supplied a new corrected FIG. 1 to include this designation. The Applicant submits that the new corrected drawing does not add any new subject matter.
